BEAUTY BY
AMAR

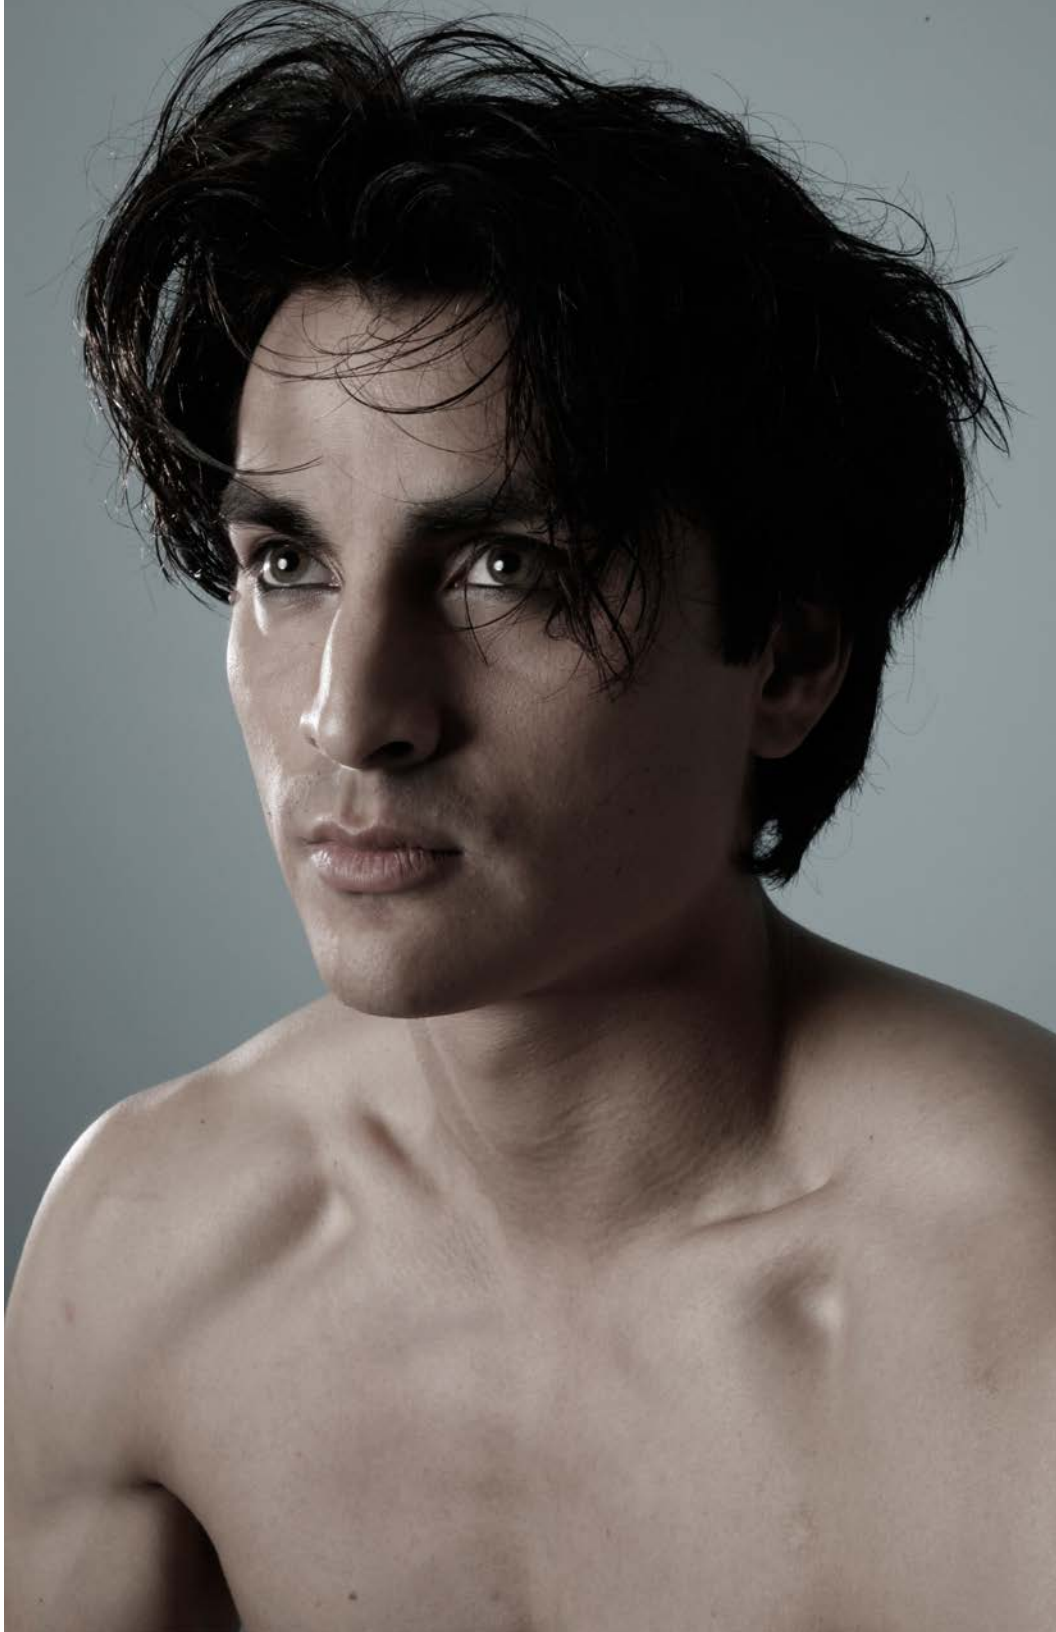

Deborah Amar Schneider is a self taught Makeup Artist with 22 years experience In HD Makeup & Hair for TV/FILM, Video, Print, Fashion, and Live Events with exceptional on-set etiquette. Based in New York/New Jersey and San Antonio, she travels within and out of state for work. Deborah began her career as an artist after graduating with a fine art degree from OCAD in Toronto, Canada.

She captures concepts and takes direction well, and can adapt application to suit whatever the project calls for, especially working with HD and RED Cameras.

With a light-handed touch, she achieves flawless makeup application results for a beautiful end product for both men and women. With a very keen eye for detail, clients often comment on how fantastic they look in front of the camera. Her skill, dedication, organization and incredible work ethic and amazing multi tasking ability allow her to successfully work in fast paced environments both in studio and on location.

Deborah is punctual, professional, intuitive, and drama free....always getting along with everyone she works with , and is discreet and quiet on set.
